

The fusion tensor, or F -move, for changing fusion bases has entries

$$\begin{array}{c} i & j & k \\ & \nearrow & \nwarrow \\ & m & \nearrow \\ & & \nwarrow \\ & & \ell \end{array} = \sum_n F_{k\ell^*n}^{ijm^*} \begin{array}{c} i & j & k \\ & \nearrow & \nwarrow \\ & n & \nearrow \\ & & \nwarrow \\ & & \ell \end{array} . \tag{1}$$
